

ROBA CHIMDESA

STUDENT

About Me

I'm a 4th-year computer science and engineering student at Adama Science and Technology University. I have a strong interest in web development and competitive programming, and am constantly seeking to improve my skills in these areas.

I'm a self-motivated learner who is eager to explore new technologies and programming languages. I enjoy taking on new challenges and solving complex problems, which has led me to develop a keen interest in competitive p
